DAY
1

Welcome to Portland – 38 miles

Meet your guides in Portland. Together, we'll transfer to Belknap, a tiny hot springs haven and the starting point to our Central Oregon adventure. We'll set out on arguably one of the state's most beautiful rides, McKenzie Pass Scenic Bikeway, featuring a long climb through forests and over a lava-rock moonscape summit. An overnight stay in Sisters will allow us time to give an overview of the trip, discuss logistics and to raise a toast together towards a great week ahead. Meals included: Lunch & Dinner

DAY
2

Scenic Bikeways Bliss – 72 miles

This morning we'll depart from Sisters and continue our travels to Smith Rock State Park, where wildlife and rock climbers perched on the steep canyon walls compete for your attention. After lunch we continue along the Twin Bridges Scenic Bikeway before arriving in Bend, nestled along the shores of the Deschutes River. Known as both Bike Town USA and Beer Town, we're sure there's something for everyone here. Wander the walkable town by foot and get settled in to our accommodations for the next two nights before dining independently. Meals Included: Breakfast, Lunch & Dinner

DAY
3

Exploring Bend – 40 miles

Today we've got a shorter ride in store to aid with the recovery of the last two ambitious days and to give us time to explore more of what Bend has to offer. Our cycling route goes through rural farmlands and ranches and provides spectacular views of the Cascades on the return to town. This afternoon you can stroll the variety of shops, cafes, and galleries, opt for a brewery tour (or two), or even squeeze in a second ride. Later tonight we'll gather for another group dinner. Meals included: Breakfast & Dinner

DAY
4

Mountains and Lakes – 62 miles

We pack up and make our way south today, covering some considerable ground on a two-ride journey, cherry-picking the best sections between Bend and Crater Lake National Park. Our first ride covers a section of the Cascade Lakes Scenic Bikeway en route to Sunriver for lunch. We then transfer by van to the northern entrance of the park and re-mount our bikes for a sublime ride along the East Rim of the lake. After arriving at our park accommodations, unwind as you see fit and enjoy dinner tonight once again with the group. Meals Included: Breakfast, Lunch & Dinner

DAY
5

Put on your Hiking Boots – 5 miles

Set aside the bikes today and explore Crater Lake National Park by foot. We'll board a boat this morning and make our way to Wizard Island. Your guides can lead you to the summit of this ancient volcano on a 2.5-mile round-trip hike before the boat returns to collect us. On the return float, a ranger provides some insight on this historic body of water. With the afternoon and evening free, you'll have time to explore the visitor center, dine independently, and rest up for tomorrow's outing. Meals included: Breakfast & Lunch

What Goes Up, Must Come Down – 63 miles

You've done some considerable climbing this past week and today is all about the descent. Savor the last views of Crater Lake's West Rim on a morning pedal that brings us to Diamond Lake. We end today's ride in Idleyld Park, where dipping the legs in the clear, cool river water will be as welcoming as the nearby cottages we'll use for our final night's lodging. Tonight we reconvene for a farewell dinner and share the highlights and memories made. Meals included: Breakfast, Lunch & Dinner
